

Mohawk i-Tone® OnDemand

Mohawk's new i-Tone® OnDemand service opens up a new world of papers and specialty materials for HP Indigo printers. From Hopsack and Feltmark to Beet and Leaf Green, new textures and colors can be optimized for HP Indigo in just five days with a single carton minimum order quantity.* Coupled with Mohawk's vast array of folio papers, i-Tone® OnDemand offers HP Indigo printers the opportunity to differentiate and cater to any client's substrate specifications. Contact your local merchant or a Mohawk sales representative.

Details:

- 1 carton minimum*
- Sheet Sizes: 12 x 18 up to 28 x 40
- Weights: 100 text up to 18 point
- 5 day lead time*

Benefits:

- Demand Creation: opens up new Fine Papers to Digital
- Quick-turn
- Customers can beta-test new papers without committing to a special make run

Mohawk's OnDemand Program allows for a carton of approved product to be coated with i-Tone®, repackaged and shipped to the customer in its original size. We assume 4% yield loss and only charge for 96% of original quantity.
